Sustainable Development Advocacy

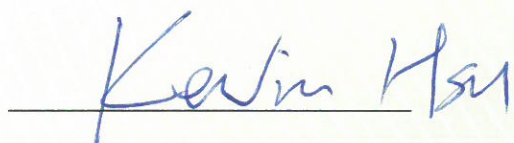

SINTRONES TECHNOLOGY CORP. and E.SUN Commercial Bank are jointly committed to the pursuit of sustainable development, with the goal of propelling Taiwan onto the international stage and showcasing it to the world. Both entities will continue to leverage their influence to create positive impacts.

SINTRONES TECHNOLOGY CORP. pledges to set a target of achieving net-zero by 2050 and take immediate and sustained practical actions to implement sustainable transformation.

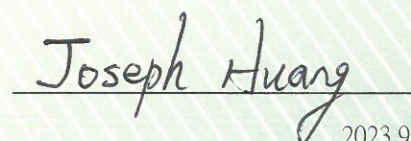

E.SUN Commercial Bank is committed to actively exerting its sustainable financial influence, collaborating with expert consultants to establish a platform for sustainable transformation, and assisting businesses in their transformation and upgrading.

Together, we will collaborate to formulate strategies and action plans for transformative upgrades, fostering business prosperity and advancing Taiwan's progress towards the international stage.
